

Quelques souvenirs de
notre 3^{ème} période.

2021/2022

Toujours un peu de sport...

Renforcement musculaire

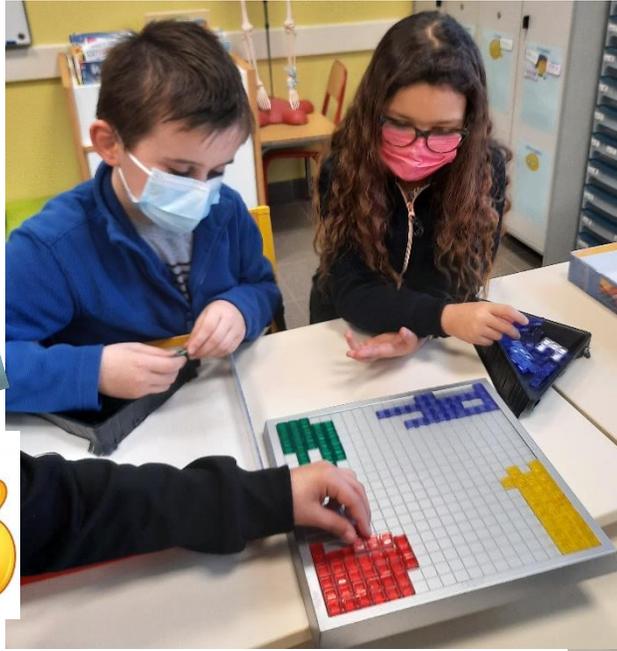

Nous terminons toujours ces séances de sport par quelques étirements.

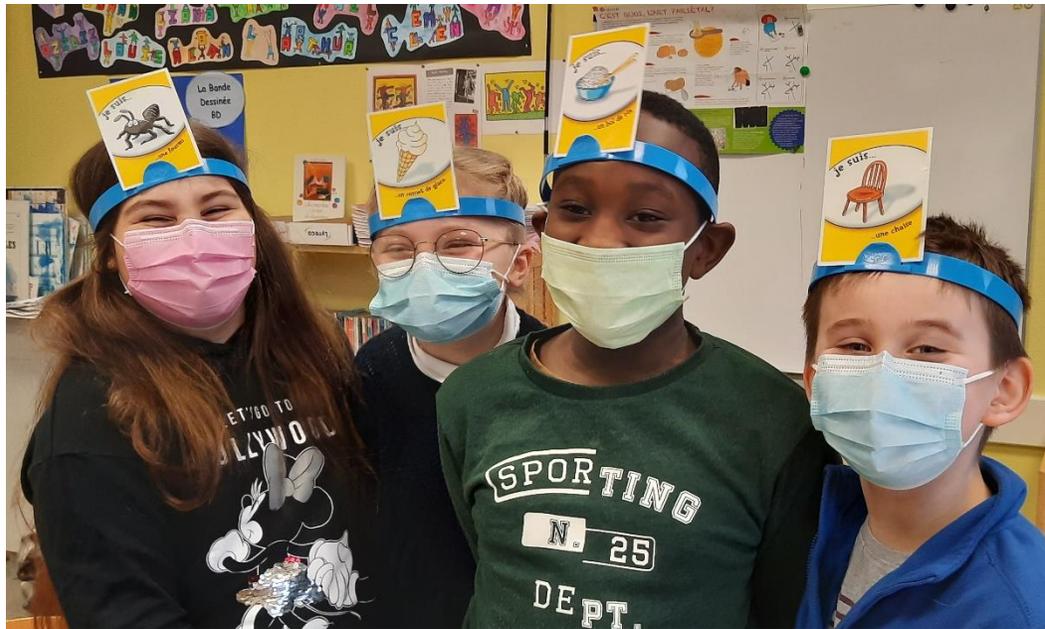

Jouons avec Veni Vidi Ludi...

En faisant fonctionner notre mémoire et en mobilisant notre attention !

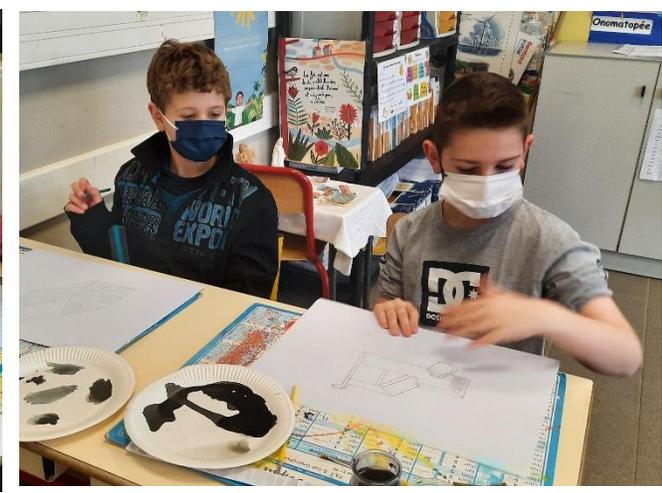

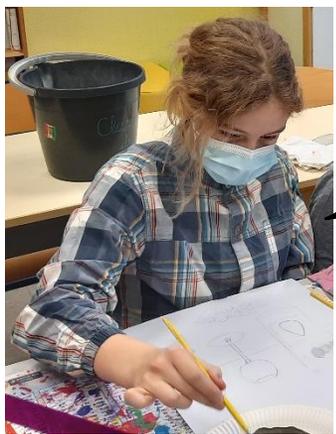

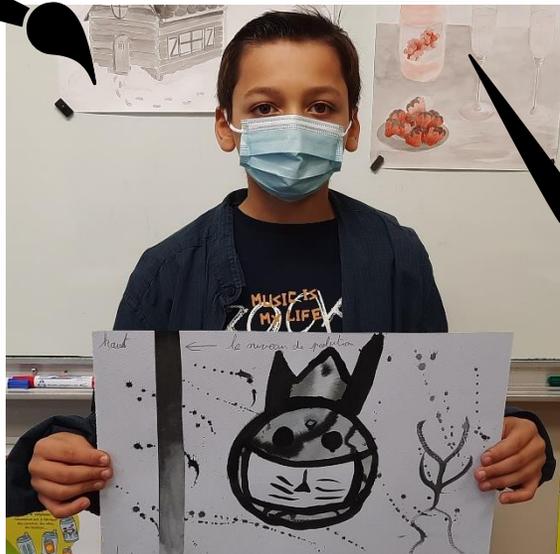

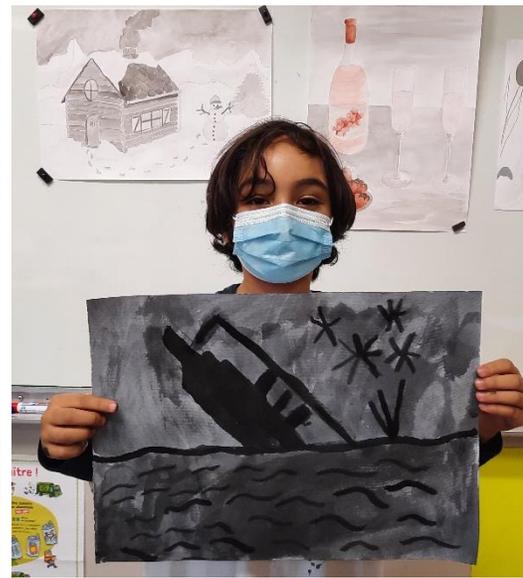

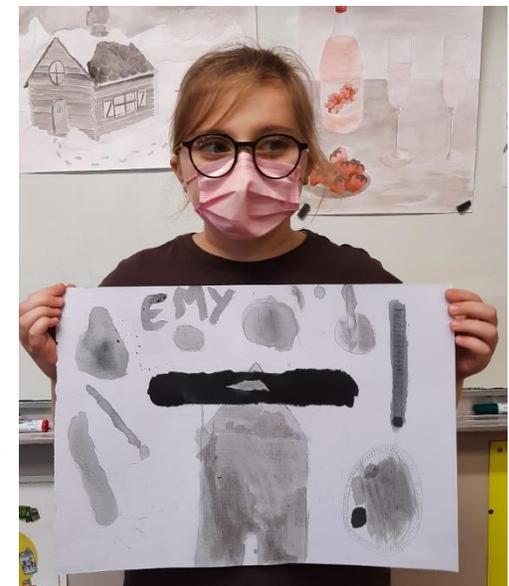

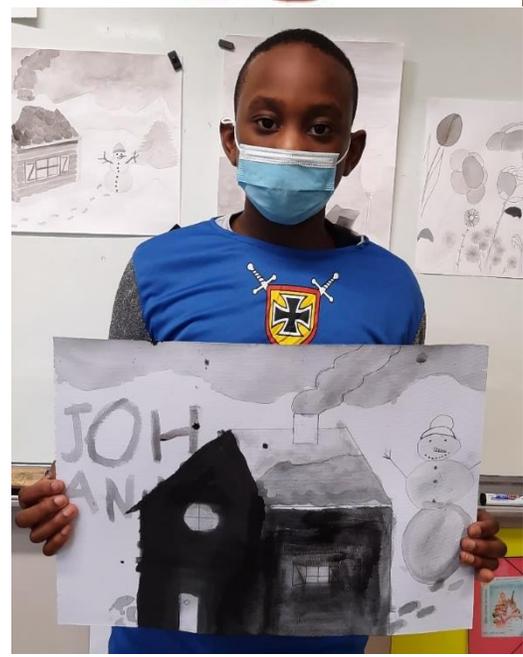

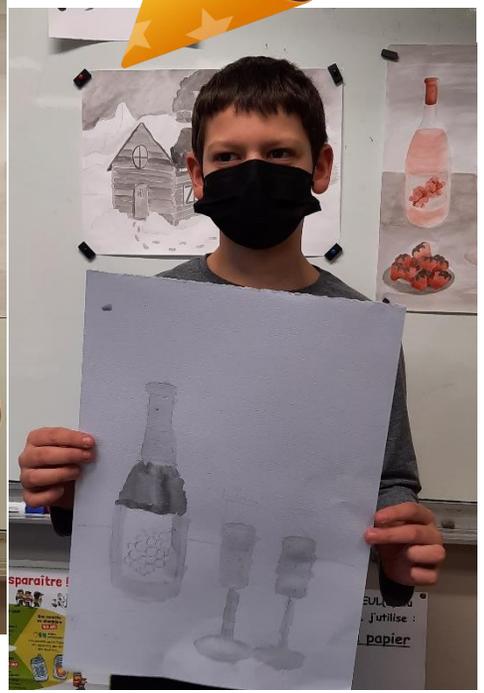

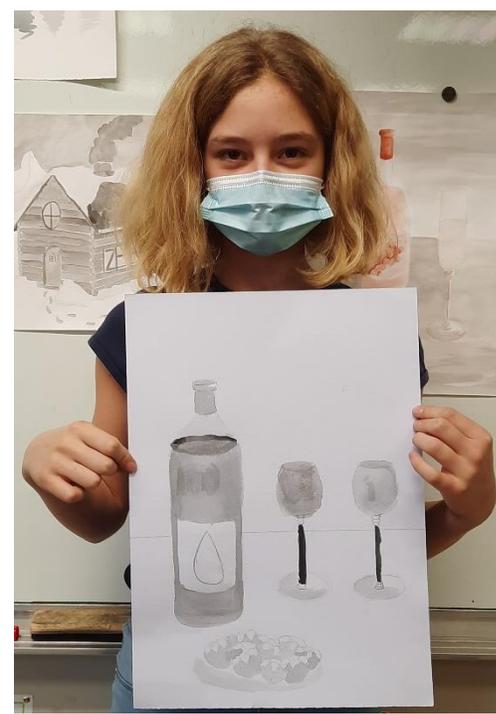

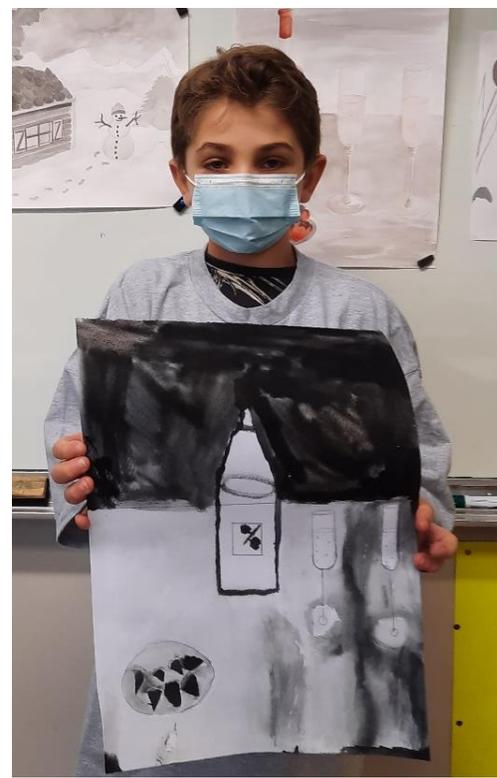

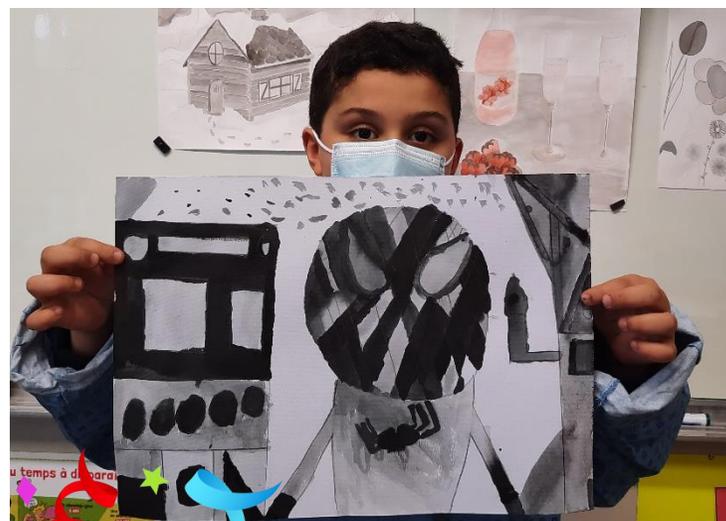

Un peu d'arts plastiques avec Barbara...

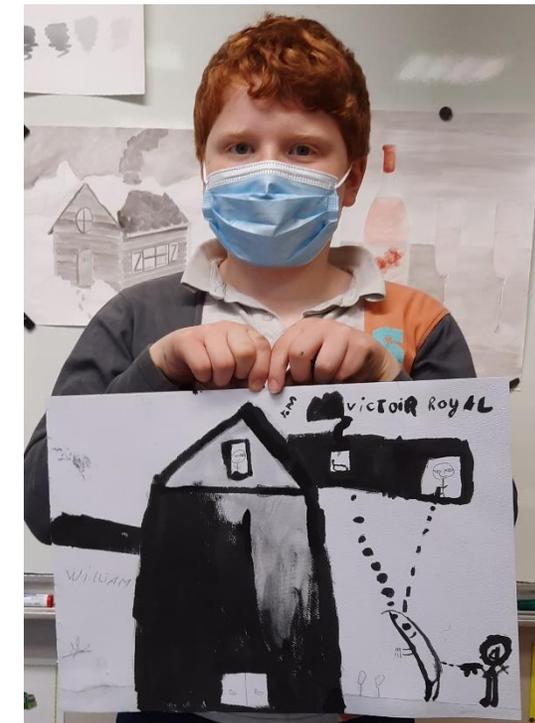

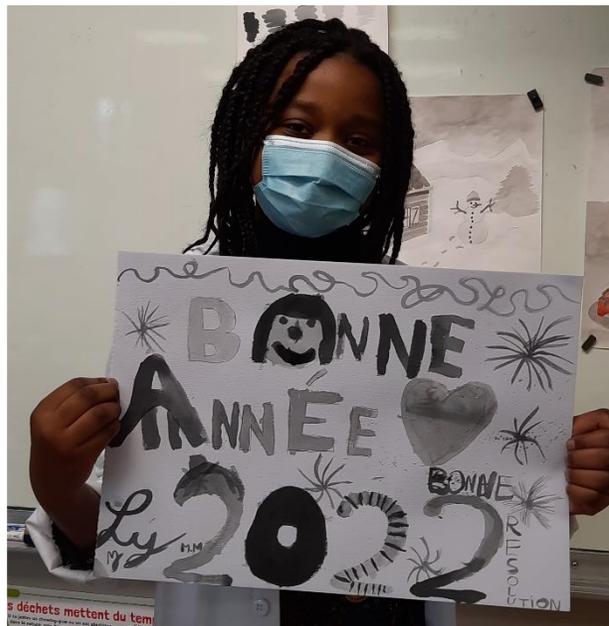

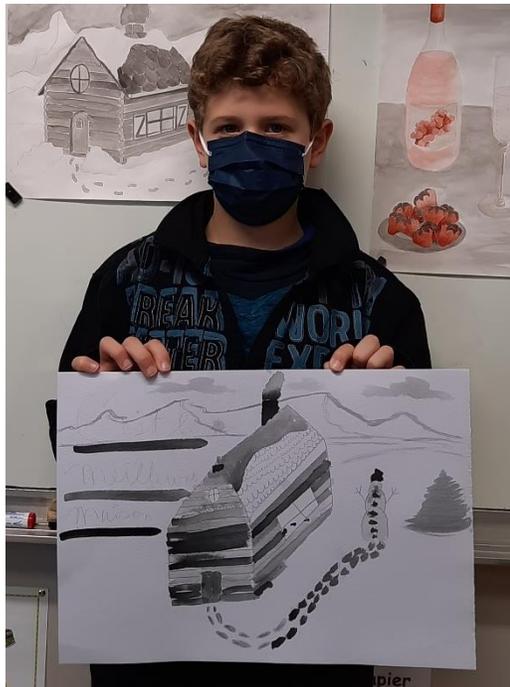

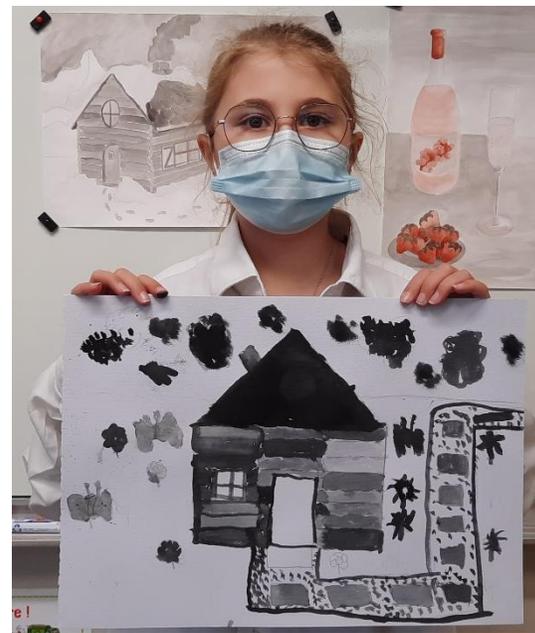

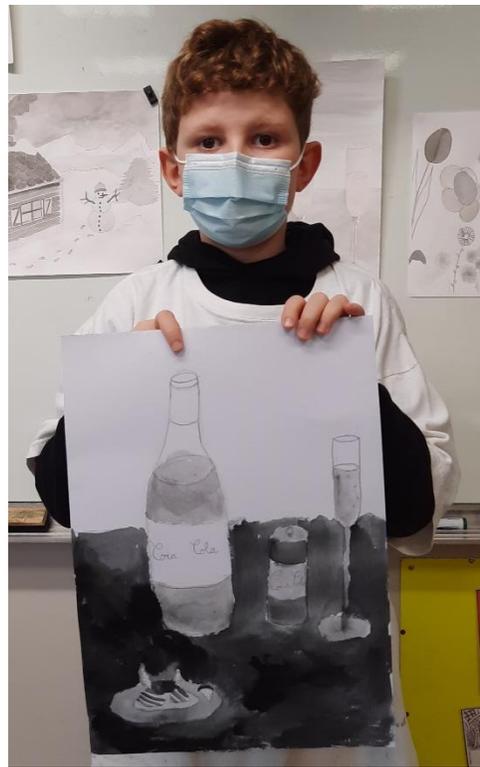

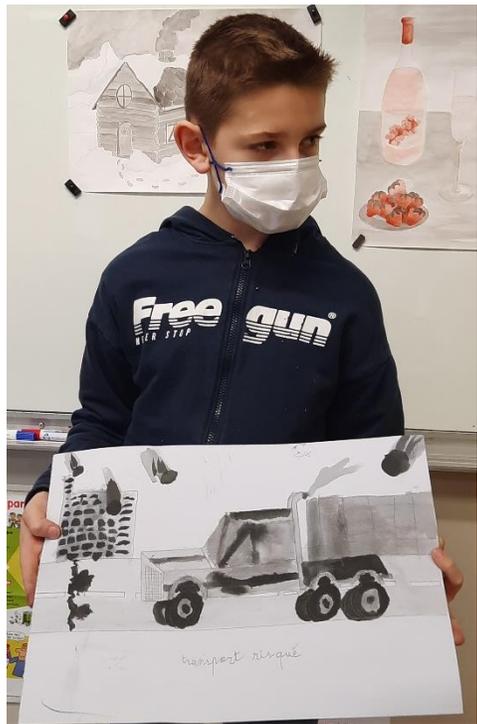

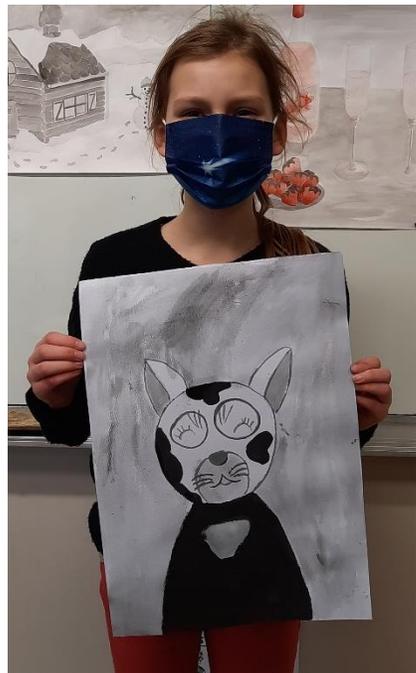

Et la découverte du lavis à l'encre de Chine...

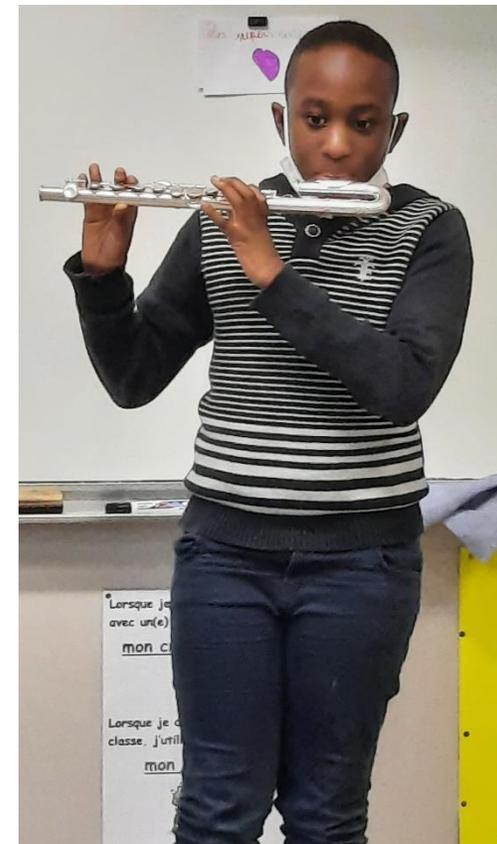

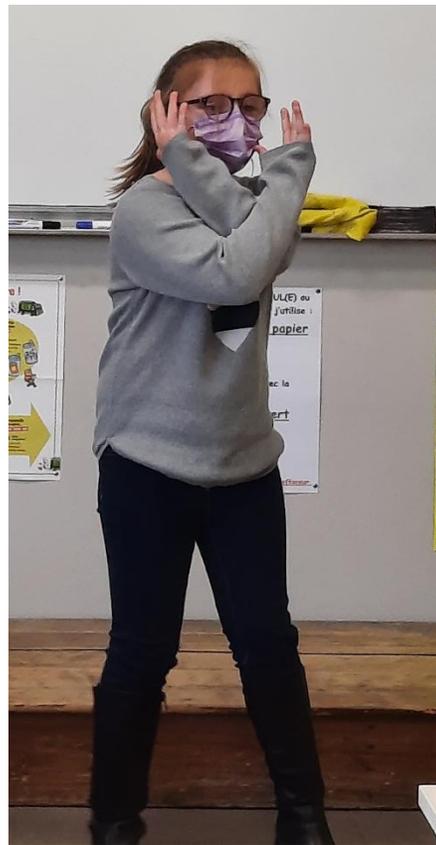

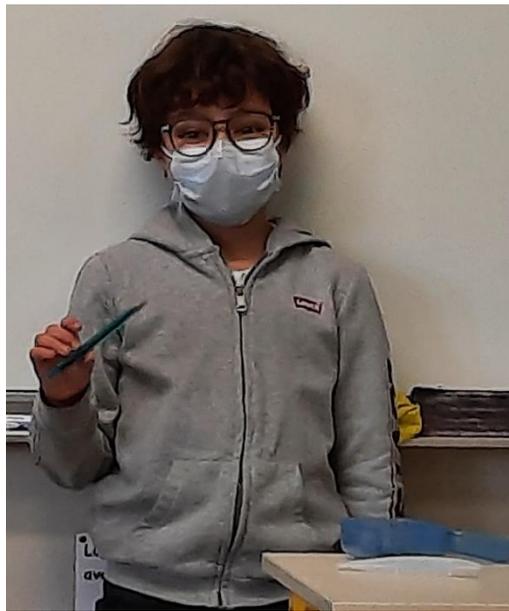

Les prestations artistiques libres ont continué durant cette période...
